

AN ACT TO AMEND THE EXECUTIVE LAW
OF LIBERIA AND TO ESTABLISH THE
LIBERIA STANDARDS AUTHORITY

PREAMBLE

MINDFUL of the relevant Economic Community of West African States (ECOWAS) Policies, Acts and Regulation relating to ECOWAS REGIONAL QUALITY INFRASTRUCTURE including Regulation C/REG. 19/12/13 Adopting the Scheme for the ECOWAS REGIONAL QUALITY INFRASTRUCTURE, the Supplementary Act A/SA 1/02/13 adopting the ECOWAS Quality Policy (ECOQUAL) and its implementation framework, and Regulation C/REG 14/12/12 adopting the ECOWAS Standards Harmonization Procedures (ECOSHAM);

MINDFUL that ECOWAS Member States have all joined the World Trade Organization (WTO) and each member state is required to develop quality infrastructure that meet international standards to reduce the Technical Barriers to Trade (TBT);

MINDFUL that better participation in international trade is considered a priority of the ECOWAS Commission and that ECOWAS Member States have agreed to implement the International Guidelines on Technical Barriers to Trade enacted in the framework of the WTO Agreements;

MINDFUL of the commitment of ECOWAS Member States to develop national quality infrastructures so as to improve free movement of goods and services within the ECOWAS Zone;

REALIZING the necessity to promote standardization and quality in the production and service sectors in the Republic of Liberia in keeping with the Liberia National Quality Policy;

NOTING THAT, it is incumbent upon the Government of the Republic of Liberia to promulgate laws that shall ensure the integration of Liberia into regional and international trade systems;

NOW THEREFORE, it is hereby enacted by the Senate and House of Representatives of the Republic of Liberia in Legislature assembled.

PART I GENERAL PROVISIONS

SECTION 1: TITLE

This Act is and shall be called An Act to Establish the Liberia Standards Authority of 2018

SECTION 1.2 – SHORT TITLE:

This Act shall be cited as The Liberia Standards Authority Act of 2018

SECTION 1.3 DEFINITIONS

"Code of practice" means a set of rules relating to the methods to be applied or the procedures to be adopted in connection with the construction, installation, testing, operation or use of any article, apparatus, instrument, device or process.

"Conformity assessment" means the procedure used to determine, directly or indirectly, that the relevant requirement in technical regulations, standards or any other relevant and validated documentation has been fulfilled.

"Commercial Inspection" means inspection conducted by Liberia Standards Authority in carrying conformity assessment activities requested by customers against national standards

"Council" means the National Standards Council established by Part IV Section 8 of this Act;

"Director General" means the Chief Executive Officer of the Authority, appointed under Section 15 of this Act;

"Distinctive mark" means a mark, which has been prescribed under Part V Section 17 of this Act; can this mark be likened to a Standard Mark of Conformity and how different is it from Standardization Mark?

"Liberian National Standard" means a standard approved by the Liberia Standards Authority (LiSA) under this Act;

"Mark" includes any device, brand, heading, label, ticket, name, signature, word, letter or numeral, or any combination thereof;

"Minister" means the Minister of Commerce and Industry;

"President" means the President of the Republic;

"Quality Infrastructure (QI)" means physical facilities and the interrelated systems of organizations, structures and people with mandates to help organizations implement quality practices and improve performance. QI also embraces Standards/Technical Regulations, Conformity Assessment, Metrology and Cross-cutting issues including

human resource development, quality promotion, coordination mechanism, participation in Regional and International Standards Setting Fora, etc. that effectively operationalize QI.

"Regulatory Inspection" means inspection conducted by regulatory inspection bodies to enforce compliance to technical regulations and other regulatory specifications and rules.

"Specification" means a description of any commodity by reference to its nature, quality, strength, purity, composition, quantity, dimensions, weight, grade, durability, origin, age or other characteristics, or to any substance or material of or with which, the manner in which, any commodity may be manufactured, produced, processed or treated;

"Standard" means a document that provides for common and repeated use, rules, guidelines or characteristics for products, services, or processes and production methods, including terminology, symbols, packaging, marking or labeling requirements as they apply to a product, service, process or production method;

"Standardization mark" means a mark, which has been declared to be a standardization mark under Part V Section 17 of this Act;

"System", with regard to a commodity, means a system which is designed to achieve a particular purpose or to perform a specific function;

PART II

AIMS AND OBJECTIVES

SECTION 2 - AIM /OBJECTIVE

The aim of this Act is to:

1. Provide a legal framework for the development, promotion and maintenance of Liberian Standards in the Republic and the rendering of conformity assessment services and related activities including calibration and promotion of quality in both public and private sector organizations in the country;
2. Provide for the establishment of the Liberia Standards Authority as the peak national institution for the development, promotion and maintenance of Liberian Standards rendering training and conformity assessment services and related activities including calibration and promotion of quality in both public and private sector organization in the country;
3. Provide for the establishment of the Council of the Liberia Standards Authority;
4. Promote the production of high quality of goods and services in Liberia, whether for local consumption or for export; and
5. Promote industrial efficiency and development

PART III ESTABLISHMENT OF THE LIBERIA STANDARDS AUTHORITY

SECTION 3 – ESTABLISHMENT OF THE LIBERIA STANDARDS AUTHORITY

1. *There is hereby established a semi-autonomous agency under the Executive Branch of Government to be known as the Liberia Standards Authority of the Republic of Liberia, which the Ministry of Commerce and Industry shall have oversight responsibility; and shall serve for the development and promotion of activities of standardization, conformity assessment, (quality assurance) and metrology and to provide for matters connected thereto.
2. In this Act, unless the context otherwise requires "Authority" or "LiSA" means the Liberia Standards Authority established by Section 3.1 of this Act.
3. The Authority shall be a body corporate with perpetual existence and a common Seal.
4. The Agency shall, in its own name, be capable of suing and being sued and doing, suffering all acts, things as bodies corporate may lawfully do or suffer

SECTION 4 – POWERS OF THE AUTHORITY

The Liberia Standards Authority shall have the power to:

1. Enter into contracts and acquire, hold and alienate movable or immovable property by whatever lawful means; provided same is done for and in the discharge of its statutory functions, as provided herein;
2. Establish counterpart and technical relationships with similar and other agencies, institutions and organizations in Liberia and abroad, as may be necessary for the effective discharge of its functions;
3. Encourage, facilitate, perform and/or require the doing or performance of whatever is necessary or expedient for the effective discharge of any and all of its functions and the achievement of its objectives;
4. Open and operate banking accounts in the name of the Authority;
5. Invest any of its funds not immediately required;
6. Insure the Authority;
7. Enter into agreements with State organizations and other persons;
8. Charge fees in respect of:
 - (i) Issuing of Liberian Standards.
 - (ii) Issuing of Standard Marks.
 - (iii) Provision of conformity assessment services (testing, calibration, inspection and certification).

- (iv) Training services rendered in connection with Quality Infrastructure.
 - (v) Providing any other services ancillary to the above.
9. Charge interest in respect of money payable but not paid on the due date except, in respect of money payable by the State;
 10. Outsource any activity that is not within the expertise and capacity of the Liberia Standards Authority.

PART IV

ADMINISTRATIVE AND ORGANIZATIONAL PROVISIONS

SECTION 5 - ACCOUNTABILITY AND OFFICES

1. The Authority shall be **semi-autonomous** with oversight responsibility of the MINISTER of Commerce and Industry and accountable to the President of the Republic of Liberia through the MINISTER of Commerce and Industry and shall submit an annual report of its activities to the President and National Legislature.
2. The Authority shall have its Head Office in Monrovia and may establish county and/or regional offices, contingent on necessity and requirements.

SECTION 6 - FUNCTIONS AND DUTIES OF THE AUTHORITY

1. The Authority shall perform the functions, which in the opinion of the Council, are necessary to further most effectively the aims of the Authority as provided herein.
2. Without prejudice to the generality of subsection 1 above, the functions and duties of the Authority shall be:
 - (a) To develop, issue, promote, maintain, amend or withdraw Liberian Standards serving the Standardization needs of the public and private sector organizations in Liberia;
 - (b) To provide conformity assessment services in respect of goods, commodities, processes and practices, and for those purposes, the Authority, may establish laboratories and any other facilities as it deems necessary;
 - (c) To provide and maintain reference measurement standards traceable to relevant international measurement standards for calibration needs of the country;
 - (d) To provide for the registration and regulation of the use of a voluntary Liberian Standards Authority Mark Scheme that provides assurance of product conformity;

- (e) To undertake and encourage educational work in connection with standardization
- (f) To collect and disseminate information relating to standardization and related matters, including the publication of reports, pamphlets, booklets, journals, and any other such publication;
- (g) To provide information services, manage the sale of Liberian and international standards;
- (h) To house the technical desk for the WTO National Unit in Liberia for matters related to Technical Barriers to Trade (TBT);
- (i) Use Technical Committees to develop and amend Liberian Standards, ensuring the process follows relevant WTO and ISO/IEC guidelines;
- (j) To assist Government departments, local and county authorities as well as any other public bodies in the preparation of the specifications required by them;
- (k) To cooperate with representatives of industry, or with a government department, or any other public bodies or persons with a view to securing the adoption of standards;
- (l) To cooperate with any person or persons, associations, or organizations outside Liberia having similar functions with a view to furthering the functions of the Authority;
- (m) To solicit and accept for the purposes of the Authority, money, land, or any other property from an organization, or person, by way of grant, subsidy, donation, gift, subscription or otherwise;
- (n) To become a member of or affiliate to regional and international bodies concerned with standardization or a related matter;
- (o) To adopt regional and/or international standards or specifications as suitable for use in Liberia, but that endorsement shall not have the effect of making the specification a 'standard specification' under this Act;
- (p) To provide for testing, at the request of the Ministry of Commerce and Industry, and on behalf of the Government, of locally manufactured and imported commodities with a view to determining whether such commodities comply with or conform to relevant technical regulations and standards;
- (q) To establish training programs in Liberia and elsewhere, in relation to standards.
- (r) The Authority shall be the CODEX Contact Point in Liberia.

3. To perform such functions as the Minister of Commerce and Industry may assign to the Liberia Standards Authority not specifically mentioned herein but would further the intents of the Liberian National Quality Policy.

SECTION 7 - ORGANIZATION OF THE AUTHORITY

The Authority shall have:

- (a) Council of the Liberia Standards Authority;
- (b) A Director General; and
- (c) Two Deputy Director Generals for technical services and finance, marketing and administration.

SECTION 8 – COUNCIL OF THE LIBERIA STANDARDS AUTHORITY

There is hereby established a **Council of the Liberia Standards Authority** that shall function as a board of directors with oversight responsibilities of the Liberia Standards Authority.

SECTION 9 - COMPOSITION OF THE COUNCIL OF THE LIBERIA STANDARDS AUTHORITY

The Council shall consist of the following members –

- (a) The Minister of Commerce and Industry, as Chair
- (b) There shall be a Co-Chair, who shall be elected by the Council;
- (c) A Secretary, who shall be the Director General of the Authority;
- (d) Statutory members- one of each of government ministries and agencies of:
 - Ministry of Agriculture;
 - Ministry of Health;
 - Ministry of Finance and Development Planning;
 - Ministry of Public Works;
 - Environmental Protection Agency;
- (e) Non-Statutory members – one of each from:
 - National Consumer Council;
 - Liberia Business Association
 - Liberia Chamber of Commerce;
 - Association of Liberian Universities (ALU);
 - Any two members from the public.
- (f) Statutory members shall be designated by the ministries and agencies named herein. Those designated must have sufficient knowledge, experience or

qualifications relating to the functions of the Authority and the responsibilities of the Council, including in particular; business management, finance, marketing, international or foreign standardization and technical infrastructure matters.

(g) Non-statutory members shall be designated by their respective organizations. The two members from the public shall be appointed by the President.

SECTION 10 - TENURE OF MEMBERSHIP OF THE COUNCIL OF THE LIBERIA STANDARDS AUTHORITY

- (a) Members of the Council, once appointed, shall hold office for a period of four years after which they may be reappointed for one more term only.
- (b) A member of the Council may resign his or her appointment in writing by letter addressed to the Minister of Commerce and Industry, and his or her membership shall terminate on the date of receipt of his letter of resignation.

SECTION 11 - DISQUALIFICATION OF MEMBERSHIP

A person may not be appointed or continue to serve as a member of the Council if he/she

- (a) Has, at any time, been convicted of an offence involving dishonesty;
- (b) Has, as a result of improper conduct, been removed from an office of trust; or
- (c) Has been declared by a court to be mentally unfit.

SECTION 12 - CONFLICT OF INTEREST OF MEMBERS OF THE COUNCIL

- (a) A member of the Council may not have a conflict of interest relating to activities of the Authority.
- (b) A member of the Council who has a direct or indirect financial, personal or other interest in any matter, which is to be discussed at a meeting and which entails or *entail a conflict or possible conflict of interest must, before or during such meeting, disclose the conflict of interest.
- (c) Any person may, in writing, inform the Chairperson, before a meeting, of a conflict of interest or possible conflict of interest pertaining to a member of the Council of which such person may be aware.
- (d) A Council member referred to in subsections (b) or (c) is obliged to recuse himself or herself from the meeting during the discussion of the matter and the voting thereon.
- (e) The members of the Council must not be appointed as members of the Board of any company established under Section 4.10 of this Act.

SECTION 13 - FUNCTIONS AND DUTIES OF THE COUNCIL.

The Council shall have power to:

- (a) Identify and recommend three (3) appropriate and suitable persons through the MINISTER of Commerce and Industry to the President for the appointment of the DIRECTOR General of the Authority;
- (b) In line of executing (a) by the council, indicated positions shall be advertised in print and electronic media so that qualified and competent applicants can apply. The Council shall finally select and submit names of suitable persons through a competitive process for appointment by the President.
- (c) Make appropriate Rules and Enabling Regulations for effective implementation of the Act;
- (d) Determine the overall policy and strategy of the Authority with particular regard to financial, organizational and administrative programs and to ensure the implementation of the policy;
- (e) Support the Authority in its resource mobilization strategy;
- (f) Monitor the performance of the Authority
- (g) Review annual reports presented by the Authority;
- (h) By a two-thirds (2/3) majority vote of the full membership of the Council, remove Deputy Director Generals or, recommend to the President for removal of the Director General or any member of the Council; in either case only for acts incompatible with the Authority or Council rules or regulations.

SECTION 14 - MEETINGS OF THE COUNCIL OF THE LIBERIA STANDARDS AUTHORITY

- 1. Without prejudice to the provisions of this Act, the Council shall issue its own rules of procedure for the conduct of meetings and establish a code of conduct governing the activities of the Council and members of the Council.
- 2. The Council shall meet at least two (2) times in every year at the times and places that the Council may deem appropriate and convenient.
- 3. The Chairperson shall preside at the meetings of the Council, and in the absence of the chairperson a member of the Council elected by the members present from among themselves shall preside.
- 4. The Chairperson may call a special meeting of the Council and shall call a special meeting of the Council when requested to do so by a requisition in writing signed by at least three members of the Council.
- 5. At a meeting of the Council, seven members shall form a quorum.
- 6. A question before a meeting of the Council shall be determined by a majority of the votes of the members present and voting and in the event of an equality of votes the person presiding shall have a casting vote. However, removal of deputy director generals shall be carried out only by a $\frac{2}{3}$ majority of the full Council.

- (c) A special meeting shall not be held, unless at least five days' notice in writing and the business to be transacted at the meeting has been given to the members of the Council;
- (d) Subject to this Act and to the Rules, the Council may regulate its own procedures.

SECTION 15 - THE DIRECTOR GENERAL OF THE AUTHORITY

- (a) The Director General, an appointed official of government shall be Liberian qualified in the area of standardization and technical infrastructure matters; and shall be the administrative and technical head of the Authority, and shall direct and administer the day-to-day activities;
- (b) The Director General shall, in consultation with his/her Deputies, exercise the following duties:
 - Exercise the functions and duties of the Authority specified under Part IV, Section 6 of this Act;
 - Carry out personnel affairs of the Authority consistent with the basic principles of the Liberian Labor Law;
 - Prepare and submit to the Council, the annual plan and budget of the Authority and implement upon approval;
 - Effect payments in accordance with approved budget in line with the approved annual plan of the Authority;
 - Submit annual reports to the Council;
 - Establish technical committees with the approval of the Council;
 - Approve certificates and licenses as referred to in Part IV, Section 6.
- (c) The Director General shall designate any of his or her deputies as official-in-charge of the Authority in case of travels, special assignment or leave.
- (d) In the event of the occurrence of a vacancy emanating from the death, resignation, retirement or dismissal of the Director General, the President of Liberia shall designate one of the Deputy Director Generals as Acting Director General, pending the appointment of a new Director General.

SECTION 16 - ADMINISTRATION OF THE AUTHORITY AND DELEGATION OF POWERS AND DUTIES

- (a) The Authority shall have the power to determine the level of officers and employees deemed required, and to establish the positions thereof to optimize the performance of the Authority's functions. These positions shall thereof be filled in through a competitive process, which shall be approved by the Council.
- (b) By general or special order in writing, the Authority may temporarily delegate any part of its powers, to the extent the Authority deems it necessary for the efficient performance of the Authority's functions. Such delegation shall be limited to a specific time period, and restricted to those functions specifically identified in the

written order of delegation. The Chairman of the Council must approve such delegation.

PART V STANDARDS

SECTION 17 - STANDARDS

- (a) The Authority may in accordance with the advice of the appropriate committee, declare a standard, including an international standard, to be a national standard for the purpose of this Act and may in accordance with the advice of that committee amend or revoke the declaration.
- (b) Wherever the Authority declares a specification to be a standard or amends or revokes a standard, notification of the declaration, amendment or revocation shall be published.
- (c) A standard, amendment, or revocation shall, in addition, be declared in the manner specified by the Rules.
- (d) The Liberia Standards Authority shall publish the procedures and processes to declare, amend or revoke a standard.

SECTION 18 - LICENSES TO USE STANDARD MARK

- (a) A person desiring to use a standard mark in connection with goods, a commodity, a process, or a practice, may apply to the Authority in the manner determined or prescribed by the Authority.
- (b) The Authority may, if it is satisfied that the goods, commodity, process, or practice with respect to which the applicant desires to use a standard mark conforms to a standard specification, grant to the applicant a license to use a standard mark on, or subject to, the conditions the Authority may think fit or as prescribed by the Rules.
- (c) A license shall not be granted for a period exceeding one year.
- (d) So long as the terms of a license are complied with, the Authority may renew the license for the period of six months, not exceeding one year at any time.
- (e) A license shall be deemed to have been renewed for periods of one year, unless specifically revoked.
- (f) A person to whom a license is granted under this section shall, if and when required by the Authority so to do, submit a sample for examination or testing or submit the information required by the Authority.
- (g) A sample required under section (17) to be submitted for examination or testing may be selected at random by a person authorized by the Authority.

- (h) Where a sample has been submitted or selected for examination or testing, the licensee shall pay the prescribed costs for the examination or testing.
- (i) The Authority shall keep a register in which there shall be recorded the details of a license granted under this section.
- (j) The register shall at reasonable times be open for inspection by the public at the office of the Authority.
- (k) The Authority may revoke a license granted under this section, for good cause.
- (l) A person aggrieved by the revocation may appeal to the Minister not later than twenty-eight days after the date of the revocation.
- (m) The Minister may confirm, reverse or otherwise vary the Authority's decision based on the recommendation of a mediation committee.

PART VI FINANCIAL PROVISIONS

SECTION 19 - SOURCES OF FUNDING

Funding of the activities of the Authority shall include:

1. All moneys received or recovered under the provisions of this Act (costs and fees related to sales of standards and specifications, conformity assessment activities and verifications and calibrations exercises) or the regulations by or on behalf of the Authority or the Council;
2. Funding through the national budget as approved by the National Legislature;
3. Any other such funding that the Authority may acquire through grants, aid or the like

SECTION 20 - AUTHORIZING OF PAYMENT OF MONEY

The Director General may, out of the funds of the Authority, authorize the payment of all such sums of money as may be necessary to enable the Authority to discharge its functions under this Act and give effect thereto in accordance with relevant national laws.

SECTION 21 - ACCOUNTS OF THE AUTHORITY

The Accounts of the Authority shall be handled by the designated staff hired to do so, and such accounts shall be examined, audited and reported upon annually by the Auditor-General or as the General Auditing Commission schedule may permit.

SECTION 22 - ANNUAL REPORT OF THE AUTHORITY

The Authority shall submit to the Council an annual report at the end of each fiscal year, which shall be subsequently presented to the President, and the National Legislature through the MINISTER of Commerce and Industry.

PART VII INDEMNITY

SECTION 23 - LIMITATION OF LIABILITY

1. The fact that the goods, commodity, process, or practice conforms, are or are alleged to conform to a standard, or the fact that a standard mark is used in connection with the goods, commodity, process or practice shall not give rise to a claim against the Government or Authority.

PART VIII MISCELLANEOUS PROVISIONS

SECTION 24: OFFENSES AND PENALTIES

Every person who

- (a) makes any statement or representation, whether in writing or not, or uses any mark with reference to any commodity, process or practice which conveys or is likely to convey the impression that a person who is not licensed to use the LISA standard mark with reference to that commodity, process or practice is so licensed or is otherwise entitled to use the LISA standard mark; or
- (b) having been licensed to use the LISA standard mark, uses the standard mark after the suspension or revocation of his license so to do, or otherwise than in accordance with the terms and conditions of his license, commits an offence and may be subject to a fine, suspension or revocation of license as promulgated in the Regulations..

SECTION 25: DEFENSES:

A person shall not be liable if he or she proves that the offence was committed without his or her knowledge or that he or she exercised due diligence to prevent the commission of the offense.

SECTION 26: REGULATIONS

The Minister of Commerce and Industry may make regulations regarding any ancillary or incidental administrative or procedural matter that is necessary to prescribe for the proper implementation or administration of the Bill.

PART IX TRANSITIONAL PROVISIONS

SECTION 27: TRANSITION

For the smooth implementation of this Act and in the interest of continuity, these transitional provisions are hereby set in place.

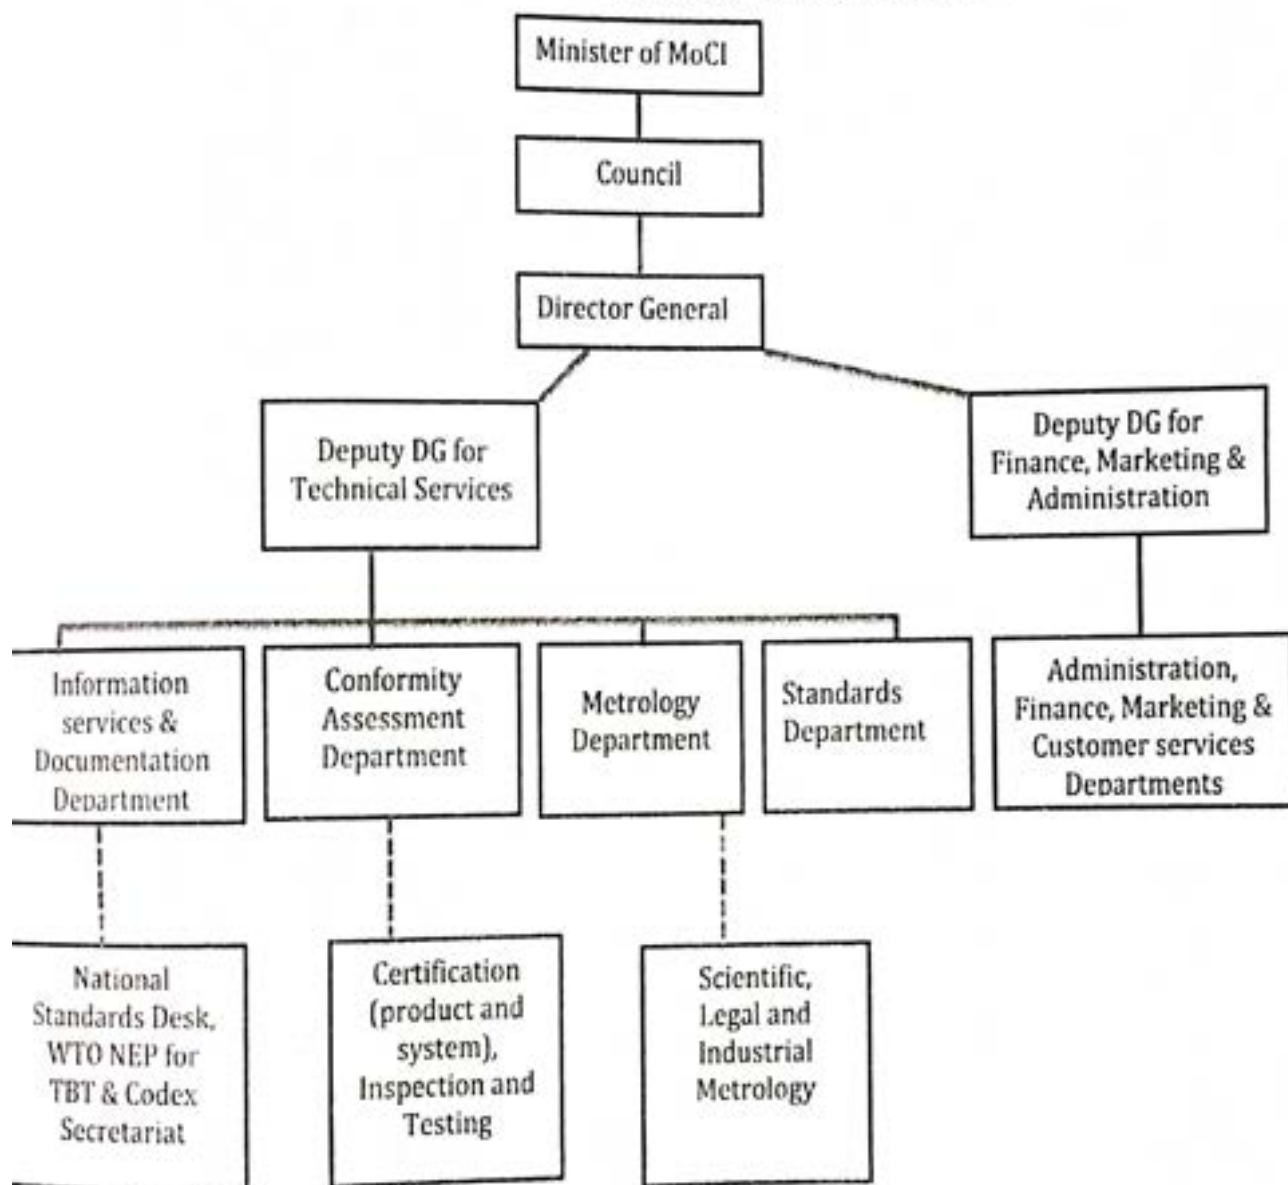

1. The National Standards Laboratory was established through the Ministry of Commerce and Industry to provide trade facilitation services in accordance with international standards as well as international best practices. The National Standards Laboratory currently provides metrology and conformity assessment services; two of the three key components of a national standards body.
2. For purposes of ensuring that the Authority begins operations with immediate effect after the passing of this Act, the National Standards Laboratory is therefore, the entity best positioned to be transitioned into the Liberia Standards Authority.
3. The National Standards Laboratory is hereby transitioned into the Liberia Standards Authority.
4. The employees, assets and liabilities of the National Standards Laboratory shall be transferred to the Liberia Standards Authority immediately upon the coming into effect of this Act.
5. The current offices of the National Standards Laboratory shall be the home of the Liberia Standards Authority.
6. Budgetary allocations provided in the current budget shall be used to run the affairs of the Authority until such time that the Authority would be allowed to participate in the process of presenting its own budget proposal for consideration by the National Legislature.
7. Where the budget for the next fiscal is passed before the Authority is fully operational, budgetary allocations for National Standards Laboratory for the next fiscal year shall be used to fund the Authority.
8. The Authority in this transition stage shall have all other powers that are stated herein.

SECTION 28 - EFFECTIVE DATE

This Act shall take effect immediately upon publication into handbills.
